SUPPLEMENTAL DECLARATION

As a below named inventor in the above-identified application, I declare that the subject matter of the Amendments filed in the present application

was part of my or our invention, was invented before the filing of my or our original application, above identified, for such invention; that I do not know and do not believe that the same was ever known or used in the United States before my or our invention thereof, or patented, or made the subject of an issued inventor's certificate, or described in any printed publication in any country before my or our invention thereof, or more than one year prior to the filing of this application, or in public use or on sale in the United States more than one year prior to the filing of this application, that said invention has not been patented or made the subject of an inventor's certificate issued in any foreign country before the filing date of this application on an application filed by me or my legal representatives or assigns more than twelve months prior to the filing of this application in the United States, and has not been abandoned.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
